

TUVIA

Pastor's Desk...

Beloved in the Lord,

Greetings in His name!!

We are excited in bringing to you "TUVIA" - all about God's goodness in our lives and ministry. We are planning to get this out every three months and thereby you will get to know what is happening with regard to the SHELTERHOUSE ministries. A thought that has been coming to my mind of late is about the change of Season. Its very important that we understand the seasons we are in and get a heart of understanding. The Tsunami that hit Japan and the unrest

in nations like Bahrain, Libya, Yemen all signal to us that the coming of the Lord is drawing near. Our response to this understanding should be to keep our lives pure. 1 John 3:3 And everyone who has this hope [resting] on Him cleanses (purifies) himself just as He is pure

There is also going to be a season of refreshing in your time. The dry, rough patch you were in, is going to change and He is going to do a new thing in your life. Our response should be to have an atmosphere of faith and to capture every doubt that will prevent the blessing.

Yours,

Working with PASSION toward the VISION of HIS kingdom EXPANSION

Pastor Ashley in Finland

January 11-24th were glorious days where the Lord enabled Pastor Ashley to visit Finland and minister to the saints there. The Prophetic Significance of 2011 and God's mandate for an expansion was echoed throughout all the meetings.

The Bible Study and Sunday Service Sermon at LightHouse Christian Center, Sunday Services at Hollola Pentecostal Church, Lahti International Fellowship, Lahti Baptist Church and Youth Meeting at Saalem Church were truly powerful times of God's movement in lives.

The word was confirmed by Signs and wonders with prophetic utterances to many and healing flew like a river. The glory of God set people free and it was a time where the family of Christ in Finland could connect with the family of Christ in India.

Pastor Ashley and Bro Muthu Krishnan along with Sis Ulla-Mai also shared the good news with the students of Finland in a school in Lahti who have never even heard of Christ.

ShelterHouse acknowledges the efforts and love of Pastor Paul Bowo, Sis Ulla-Mai Makkonen, Sis Taimi, Br David Ram Kalaskar, Br Mauri and all the beloved in Helsinki. Special Thanks to Bro Muthu who made this a big success for His glory.

Tiptur Mission Trip

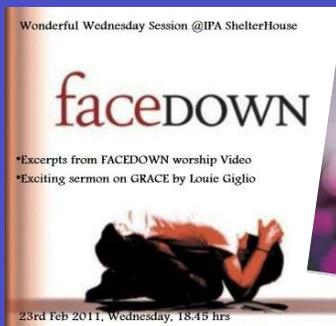

The church took their cars on the second week of February for a mission trip to the Calvari Childrens home in Tiptur, North Karnataka. The sessions were a great blessing to the ministers in that district who were working against all odds to bless the work of the gospel. The Gospel Triangle was preached and it was a powerful session where the Holy Spirit moved in a mighty manner.

The underprivileged children of the calvari childrens home were also ministered to with stories and action songs. It was a blessed time of fellowship and prayers.

Wonderful Wednesdays

The Inspiring sermons by Louie Giglio and Dr Yongi Cho were screened in the church during wonderful Wednesdays which was a great blessing for the church as a whole.

New souls are being added and the Lord is working in our midst.

Testimony

Am extremely humbled and whole heartedly, thank our Lord Jesus Christ for giving me this privilege, to speak of His grace and mercy in my life. My

name is Dilu and have been honored to be associated with Shelter House Ministries since its inception. A place where I have literally seen the Lord speak, touch and work in my life. At this time, the gratitude towards the Lord makes me realize that all my education is not good enough to provide enough words to thank Him. His mercies have been innumerable and new every morning.

I would like to mention a significant event that happened in my life recently. We had a plot in Bangalore and there were legal issues with it for many years. It was hard for us, as a family, to sense the insecurity concerning the land, knowing that it was the only worthwhile asset we had. All we could do was look unto Jesus. I would walk around the land praying in Spirit and protecting it by sprinkling the blood of the lamb. Many servants and children of God upheld this need in prayer. In pain, we were at the verge of selling it for a cost with almost no profit. On the day we had to take the advance from the buyer, he came and told that the government had passed a law that no land registrations can be made for the next couple of months. We were stunned with mixed emotions. Didn't know then, that it was just the beginning of a series of miracles we were about to see. The people who were creating issues, by themselves, came and said that they have absolutely no issues with the land anymore.

We started the construction of a house on it and now are the proud owners of a beautiful house, completely humbled by His majesty. We have named it "Eliora" meaning 'The Lord is my Light' and have dedicated it for God's glory.

In my life, with every passing day, I have most realistically, seen and experienced two things : My Jesus never fails and His grace is, indeed, sufficient for me. All glory to Him ...!!
